NOTE. The editors wish to thank the typesetter Gonni Runia once again for her tireless work on this volume. They wish to express their thanks to Sami Yli-Karjanmaa for his assistance with the bibliography, and also to Dr Lisa Marie Belz, OSU, Ph.D., Jonathan Hatter and Cory Louie, for meticulously proof-reading the final manuscript. As in previous years we are deeply grateful to our publisher, The SBL Press, and to its staff. In particular we wish to express our heartfelt thanks to Leigh Andersen for all her assistance and support during the past nine years. It has been a true delight to work together with her to ensure that every year the Annual has been ready and available at the Annual meeting of the Society in November. We shall miss her greatly. All the members of *The Studia Philonica Annual* team extend to her our very best wishes as she moves to a new and exciting phase of her life.
